

PETERBOROUGH SCHOOLS: SEND PROVISION / LOCAL OFFER

The Local Authority is committed to all pupils, regardless of their specific needs, making the best possible progress in their educational setting which, wherever possible and with the agreement of the family or the young person, will be in a mainstream setting.

All Peterborough's schools have a similar approach to meeting the needs of pupils with special educational needs and disabilities. Maintained schools have access to a range of professional services provided by the Local Authority which include the Educational Psychology Service, the Autism Outreach Service, the Sensory Support Service and the Specialist Teacher for pupils with ADHD. Academies and Free Schools within the city also have access to these services though the funding mechanisms differ to those in place for maintained schools.

An inclusive school may offer the following 'additional and different' arrangements to support children with SEND. This provision is over and above 'Quality First Teaching' which is the entitlement for all children.

Children/ Young People in school will get support that is specific to their individual needs. This may all be provided by the class teacher or may involve:

- Advice and support from the School's Special Educational Needs Co-ordinator and other members of staff within the school.
- Staff who visit the school from the Local Authority central services such as the Educational Psychologist, Specialist Teachers for autism, ADHD or from the Sensory Service (for students with a hearing or visual need).
- Staff who visit from outside agencies such as the Speech and Language Therapy (S<) Service.

The chart on page 2 provides some general information about the different approaches, interventions and professionals who may be involved where children present with different levels of difficulty and complexity.

| | | Note of any additional considerations e.g. Looked After Child/English as an additional language / Child in Need/ Child Protection |
|---------------------------|------------------------|---|
| Plan | Highly Specialist | Where a child or young person's needs are highly complex and require a bespoke placement or highly individualised long term arrangements. |
| EHC PI | Specialist | Special Schools for children and young people with long term complex needs. These are supported by a range of outside professionals. Children with long term complex needs who are educated in mainstream settings who are supported by relevant specialist services through consultation, advice or intervention as appropriate. |
| SUPPORT Co-ordinated Plan | Targeted Specialist | Enhanced resource bases located in mainstream schools. Specialist support from a range of professional services such as Autism Outreach, Sensory Support, Educational Psychology, Occupational Therapy, Physiotherapy. Consultation, Intervention advice and training. Pupil Referral Units. |
| SEN SUP | Targeted | Class teacher in receipt of advice and support from the Special Educational Needs Coordinator. Involvement of professionals from outside the school (e.g. educational psychologists, speech and language therapists, paediatricians) through consultation, assessment and training. Evidence based interventions and child specific approaches in place and reviewed. |
| | Universal Targeted | Quality first teaching. School's best endeavours. Differentiated curriculum. Class teacher in receipt of advice and support from the Special Educational Needs Coordinator. Evidence -based interventions run in class and in small groups (plan, do, review cycle). Personalised learning. Consultation. Training. |
