## 29<sup>th</sup> June 2021 – Exam Board Contingency Day

In the event an exam cannot take place as timetabled due to widespread, sustained national or local disruption in the UK, the awarding bodies may decide to cancel exams on one or more days and re-schedule them at the end of the summer exams; 29<sup>th</sup> June has been allocated for this purpose.

**Any student sitting external exams in the summer series must remain available to attend the Academy until the 29<sup>th</sup> of June, regardless of their final exam date on their summer exam timetable.** Therefore, holidays etc. should be booked after this date in case exams need to be re-arranged. Any plans made before this date are made at their own risk.

If there are no incidents, when an individual student's last written exam has taken place, as per their exam timetable, the contingency day for that student becomes obsolete.

- Outside of the exam dates above, other practical exams and coursework/internal assessments may be held at various times throughout the year. Dates for these exams will vary between subjects and classes; subject teachers will notify students individually of these dates.
- Every effort is made to publish individual timetables for written examinations to students as early as possible once entries have been finalised. The Exams Office is unable to tell in advance of this when individual student examinations are taking place - we can only advise, as a guide, the above dates.
