## 16-19 Bursary Fund Policy 2023-24

#### What is the 16-19 Bursary Fund?

The fund is made available from the government through its funding body - the Education Funding Agency (EFA) for 16-19 year olds - to provide assistance to students whose access to, or completion of, education is inhibited by financial constraints or barriers.

#### Who is eligible to apply for 16-19 Bursary Funding?

Students following government (ESFA) funded full time or part-time courses, who are 16 years and over and satisfy one or more of the following criteria:-

- Students aged at least 16 and under 19 years of age on 31/08/23 who are in care (including unaccompanied asylum seeking students), are leaving care, are in direct receipt of Income Support or are disabled and in receipt of both Employment and Support Allowance and Disability Living Allowance.
- Students who are economically or socially disadvantaged and at risk of not taking up or continuing in their education. This group includes students with physical or other disabilities, medical conditions and/or learning difficulties.
- Students who have been in care, on probation, are young parents or are otherwise considered at risk.
- Refugees (who will have access to 16-19 Bursary Funding if they are in receipt of supportive evidence from DWP).
- Lone parents

#### Who is not eligible for 16-19 Bursary Funding?

- Students under 16 years of age or over 19 years of age on 31/08/23
- Students who do not meet the residency qualifications

#### How does the Academy assess applications and allocate 16-19 Bursary funding?

The 16-19 Bursary Fund is a limited fund and the Academy will prioritise allocation. There are three priority groups, categorised as high, medium and low.

#### High priority group

Students aged under 19 on 31/08/23 and who fall into one of the following categories:

- Are currently in care (as defined by social services)
- Are leaving or have recently left care
- Are in receipt of Income Support in their own name.
- Are disabled and in receipt of both Employment Support Allowance and Disability Living Allowance

Eligible students may be able to receive a bursary of up to £1200 to cover costs such as transport, equipment etc.

## Medium priority groups

Students who fall into the following categories:

- A. Have a gross total annual household income of below £15,000 Upper medium priority
- B. Have a gross total annual household income between £15001-£23000 lower medium priority

Eligible students in this group may be eligible for a contribution towards or provision of:

- The cost of transport, essential course equipment, trips, uniforms, materials, etc. if aged under 19 on 31 August 23, dependent on meeting agreed attendance and behaviour criteria. This will be subject to availability of funds. And will be prioritised as outlined above.
- Financial support towards childcare costs and exam re-sit fees if aged 19 or under on 31/08/23
- Students will be asked to provide receipts as evidence in support of usage of the bursary fund, and where
  it is evident that the expenditure is not appropriate then we reserve the right to suspend or withdraw
  payments to the student

A percentage of the bursary allocation will be kept aside by the school for students in the medium and high priority groups whose circumstances change during the year. These funds will be used towards the cost of school trips, meals and any other educational needs which arise. Any funds remaining at the end of term 5 will be added to the payment made in term 6 to the medium and low priority groups.

**Low priority group:** those with a gross total annual household income of between £23,000 and £28,000

Those in the low priority group will be considered for funding based on the Academy allocation and subject to available funding **after** those in the high and medium priority groups have been awarded. Students in this group may get a **contribution** towards the cost of essential course equipment, uniforms and transport costs

The payments for the medium and low priority groups will be dependant upon good attendance

If attendance falls below 95%, this may result in payments being suspended.

## Any unauthorised absence will result in a bursary payment being withdrawn.

To ensure attendance records are accurate, all student absences must be reported on each morning of absence. If this is not possible a note explaining the absence needs to be sent to the school at the earliest possible date following the period of absence.

We expect to receive most applications by 30<sup>th</sup> September at the start of the academic year but, where circumstances change, we will continue to accept applications throughout the year meaning that payment amounts may vary. Confirmation of eligibility will be emailed to the student.
