Hi, it's Arta and Jenae and we are the Student Voice section of Senior Prefects and the Heads of Year 12 Student Council.

Since we have started off, we have been able to:

- ❖ Form the student council.

- ❖ Add to and finalise the Character Curriculum Department's survey to find out student views on PD.

What we are planning to do:

- ❖ We are also planning to discover student views on the refectory.
- ❖ Set up a 'Focus election' to know what top 3 issues student council should focus on for the academic year
- ❖ Lift up under engaged voices

Student voice is dedicated to hear your voice, so please come to us with any issues, concerns or queries.

Community:

Senior Prefects: Mirwa Mahmood and Saiba Atarid

Hi guys, we're Mirwa and Saiba and we're the Senior Prefects in charge of Community SOTO. Our role is to organise charity events around the Academy; implement ideas suggested by the Umbrella Group; as well as working with Citizens UK.

- ❖ Currently, we've successfully ran a charity event for Ramadan, in which we raised just under £700 going towards Children of Adam and the Midfield food bank.
- ❖ Right now, we're also in the midst of planning another charity event to run in Term 6.
- ❖ We're also looking to add year group Ambassadors who will help to push forth any concerns to us, and also work with the Umbrella Group.

If you have any concerns regarding individual or school concerns; charity events we should focus on; areas of citizenship or diversity issues that could be improved, we are here to help.

Wellbeing:

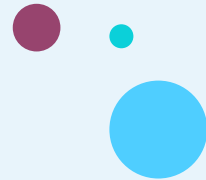

Senior Prefect: Lenia Bilbas

Hello, I'm Lenia and I'm in charge of wellbeing. I'm also leading the Metal Health Action Team here at TDA.

- ❖ So, at the moment, I'm working with the Student Voice Senior Prefects to gather some students I'd like to question.
- ❖ We're also looking to select one year group to test out some Mental Health activities we have planned for their PD time. If this is a successful, we'll expand it across other year groups too.

If there's any particular sectors within wellbeing you want TDA to raise awareness of, please don't hesitate to talk to me. I'm happy to listen to any ideas or concerns you may have.
