

Re: TDA - Consent form for taking and using photos

At Thomas Deacon Academy we sometimes take photographs of staff. We use these photos in the Academy prospectus, on the Academy website, on display boards around the Academy and on the Academy social media platforms.

We would like your consent to take photos of you and use them in the ways described above. If you are not happy for us to do this, we understand and will update your preferences.

Please tick the relevant box(es) below and return this form to TDA – **FAO Vanessa Skinner**

- I am happy for the Academy to take photographs of me
- I am happy for photos of me to be used on the Academy website
- I am happy for photos of me to be used in the Academy prospectus
- I am happy for photos of me be used in internal displays
- I am happy for photos of me to be used on the Academy social media platforms
- I am **NOT** happy for the Academy to take or use photos of me

If you change your mind at any time, you can let us know by emailing data.team@tda.education

Why are we asking for your consent?

You may be aware that there are new data protection rules coming in from May 2018. To ensure we are meeting the new requirements, we need to update your consent preferences to take and use photos of your child in line with new regulations. We really value using photos of staff and like to be able to showcase what they do in the Academy and show what life at the Academy is like to others, so we would appreciate you taking the time to give consent.
