

Behaviour expectations whilst attending TDA during lockdown

All students are expected to:

1. Wear full school uniform and bring all relevant equipment. As classrooms need to have an open window, coats may be worn but hoods must be kept down and gloves removed.
2. Attend Reception by 8:45am and go straight to the relevant member of staff for instructions.
3. Be respectful to **all** staff members at **all** times.
4. Remain COVID safe at all times:
 - a. This means sitting in your allocated seat according to the member of staff's seating plan and remaining there unless a member of staff has given you permission to move.
 - b. This means moving about the school in a sensible manner and not mixing with students from other classes.
 - c. This means sitting in your allocated area during break and lunch and not leaving the Refectory unless you have been given permission to do so.
5. Attend all online lessons punctually and complete all work to the best of your ability.
6. Keep mobile phones off and out of sight. If required for a lesson, students can ask a member of staff for permission to use them.
7. Leave in a calm and orderly manner when given permission to do so by a member of staff. Please leave your work station tidy. Keep COVID safe and do not congregate outside the academy; go straight home.

Please be aware that your place in school is at risk if these expectations are not fully met.
