YEAR 12 TEACHER ASSESSED GRADES

ASSESSMENT SCHEDULE

2022

## **Assessment schedules**

This booklet has been compiled to provide you with information of key assessments that would be used to determine your grades in the case of a national cancellation of exams in the summer. Specific times of the assessments will be provided by your teachers once these have been finalised.

In this pack, you will find details of assessments for all subjects as well as some guidance on where you may be able to find resources to support you with preparing for them.

**It should be noted that, as things stand, we fully expect exams to go ahead as normal in the summer and will be used to determine your grades.**

We'd like to take this opportunity to wish you the best of luck with your exams and look forward to celebrating your successes with you in August.

## TEACHER ASSESSED GRADES – OUTLINE OF ASSESSMENTS

Subject:	Applied Science		Qualification:	BTEC – Diploma
Year of Assessment	Unit	Method of Assessment		Level of control H/M/L
